7th World PetroCoal Congress & Expo-2017

15-17 February 2017 at Convention Centre-NDCC, New Delhi, India

Theme: Petroleum - Coal - Gas:

Sustainable Management of the Future Energy Mix

Dear Colleagues:

We are delighted to announce that Energy And Environment Foundation would be organizing 7" World PetroCoal Congress & Expo-2017 from 15" to 17" February 2017 at Convention Centre-New Delhi City Centre, Parliament Street, New Delhi, India with the support of the Ministry of Power, Ministry of Petroleum and Natural Gas, Ministry of Coal Government of India, Theme of the congress is "Petroleum-Coal-Gas: Sustainable Management of the Future Energy Mix".

India's energy requirements substantially met from the petroleum and coal sectors. Petroleum, Natural Gas and Coal supply more than 80% of the nation's energy needs. Most experts agree that coal and entire hydrocarbon value chain specially petroleum, natural gas, CBM, oil shale, shale gas and gas hydrates will play key roles in our energy future. Keeping this in view the 7th WPCC-2017 will focus on:

- The role of innovations and technology as the 'game changer' in optimizing value from both conventional and non-conventional resources.
- The response of the Oil, Gas and Coal Industry towards 'green energy in low carbon economy'.

The congress aims to encourage fruitful dialogue for sustaining future growth of Petroleum-Coal sectors and make an attempt to provide solutions to the problems faced by the Oil, Gas and Coal

industries world over. Specially focused on key industry issues and emerging energy solutions while pursuing business building and networking. The congress is an effort of gigantic proportions, specially designed to bring together wide spectrum of national and international experts in the upstream, midstream and downstream sectors of the Petroleum, Gas and Coal Industry specially in the areas of Clean Coal Technologies, Coal Gasification UCG, SCG, CBM, Shale Gas, Gas Hydrates, BioFuels and Carbon Capture & Storage Development to meet and exchange ideas, knowledge and expertise about the latest concepts, trends and technology developments.

7" World PetroCoal Congress & Expo-2017 offers all participants an opportunity to benefit from Plenary Lectures, Keynote Addresses, Review and Forecast Papers, Poster Presentations, World CEO Forum and Panel Discussions by eminent policy-makers, scientists and technologists, in the Conference segment. The Exhibition segment will provide a window for the exposition of the latest developments in equipments, products, technologies and services in the Petroleum, Coal and Gas industry. In addition, two Special Interactive Group (SIG) business meetings will focus on "Skill Development in the Petro-Coal Sector" and "Financing and Investing in Coal".

We cordially invite you and your peers to contribute to the congress and participate in the expo. Your presence and valued participation is key to the success of the International Conference and Expo.

Look forward to welcome you and your spouse at New Delhi for a stimulating exhilarating professional experience at 7th World PetroCoal Congress & Expo.

Best regards.

President, World PetroCoal Congress & Expo
