# 14<sup>th</sup> World PetroCoal Congress & Expo-2024

25-26 April 2024 | Vigyan Bhawan, New Delhi, India

Theme :

**Petroleum-Coal-Gas: Transition to a Green Planet**

## Invitation

*Dear Colleagues:*

With the phenomenal success of 13<sup>th</sup> edition of World PetroCoal Congress where national and international delegates, dignitaries and speakers participated in the congress during 16-17 February 2023. The conference was supported by NITI Aayog, World Coal Association, World Energy Council, Clean Coal Technology South Africa, British Columbia Institute of Technology, Skill Council for Mining Sector and many national and international organizations. We are delighted to announce that **Energy And Environment Foundation** would be organizing **14<sup>th</sup> edition of World PetroCoal Congress & Expo** from **25<sup>th</sup> to 26<sup>th</sup> April 2024** in **Vigyan Bhawan, New Delhi, India**. Theme of the congress is **"Petroleum-Coal-Gas: Transition to a Green Planet"**.

India's energy requirements substantially met from the petroleum and coal sectors. Petroleum, Natural Gas and Coal supply more than 80% of the nation's energy needs. Most experts agree that coal and entire hydrocarbon value chain specially petroleum, natural gas, CBM, oil shale, shale gas and gas hydrates, coal gasification will play key roles in our energy future. Keeping this in view the **14<sup>th</sup> WPCC-2024** will focus on:

- The role of **innovations and technology** as the '**game changer**' in optimizing value from both **conventional and non-conventional resources**.
- The response of the **Oil, Gas and Coal Industry** towards '**green energy in low carbon economy**'.

The congress aims to encourage fruitful dialogue for **sustaining future growth of Petroleum-Coal sectors** and make an attempt to provide solutions to the problems faced by the Oil, Gas and Coal industries world over. Specially focused on key industry issues and emerging energy solutions while pursuing business building and networking. The congress is an effort of gigantic proportions, specially designed to bring together wide spectrum of national and international experts in the upstream, midstream and downstream sectors of the Petroleum, Gas and Coal Industry specially in the areas of **Clean Coal Technologies, Coal Gasification UCG, SCG, CBM, Shale Gas, Gas Hydrates, BioFuels** and Carbon Capture & Storage Development to meet and exchange ideas, knowledge and expertise about the **latest concepts, trends and technology developments**.

**14<sup>th</sup> World PetroCoal Congress & Expo 2024** offers all participants an opportunity to benefit from Plenary Lectures, Keynote Addresses, Review and Forecast Papers, Poster Presentations, World CEO Forum and Panel Discussions by eminent policy-makers, scientists and technologists, in the Conference segment. The Exhibition segment will provide a window for the exposition of the latest developments in equipments, products, technologies and services in the Petroleum, Coal and Gas industry.

**We cordially invite you and your peers to contribute to the congress and participate in the expo. Your presence and valued participation is key to the success of the International Conference and Expo.**

Look forward to welcome you and your spouse at New Delhi for a stimulating exhilarating professional experience at **14<sup>th</sup> World PetroCoal Congress & Expo**.

Best regards.
